

REQUEST FOR SEQUENTIAL ORDER OF RECORDING FORM

The Cook County Recorder of Deeds Office (CCRD) is committed to both ACCURACY and EFFICIENCY in the recording of all documents "entitled to be recorded." To ensure our staff can provide such accuracy and efficiency, starting December 1, 2017, any request for multiple documents to be recorded by our staff in a specific sequential order **MUST** be accompanied by the following forms, clearly indicating which documents are to be recorded in which order. These forms are required in an effort to reduce mistakes as to which document should be recorded first, second, third, and so on (i.e. Power of Attorney, Deed or Affidavits, etc.), but also to save on recording penalties by providing a separate space to write such information instead of the margins or 3x5 recording space. These forms will be required for any "bundles" or "stacks of documents" which a submitter requests to have recorded in any specific sequential order, and can be obtained at cookrecorder.com/forms. Please print legibly and clearly so as to prevent any potential confusion, and please make sure to include the applicable contact information to ensure our staff can contact the requester if questions arise. Thank you for your cooperation, and we look forward to continuing to execute on our mission of Accuracy, Efficiency and Advocacy.
